

FLOATING TERRACE

PONTOONS IN EUROPE

FLOATING TERRACE PONTOONS IN EUROPE

Our quality Pontoon boat range for all European countries offers luxurious seating, spacious layouts and is built for maximum pleasure. Explore your local lake or waterway in Italy or France on one of our affordable Floating Terrace Pontoon boats. Needless to say, all of our pontoon boats are CE certified and ready to be operated in all European countries. Explore the coasts of Spain, the Islands of Greece or the waterways in Germany with a Pontoon boat that can accommodate large groups. It's no coincidence, that boat rentals in the UK, Croatia or Sweden are using Pontoon boats, as these boats are inexpensive, offer easy upkeep, low maintenance costs and a huge platform for a comfortable ride.
